

Pakistan seeks \$70 million from India for unplayed cricket series

Karachi: Pakistan has kicked off a legal battle against India for not honouring a bilateral cricket series agreement, the sport's governing body confirmed Thursday.

The Pakistan Cricket Board (PCB) is seeking \$70 million in compensation from the Board of Control for Cricket in India (BCCI) after the country failed to attend two series in 2014 and 2015 as part of a memorandum of understanding signed between the two boards.

The International Cricket Council (ICC) confirmed receiving the notice.

"The ICC has received a Notice of Dispute from the PCB's lawyers, which will be forwarded to the chairman of the Dispute Resolutions Committee next week," a spokesman of the ICC said.

The ICC Dispute Resolution Committee is headed by Michael Beloff QC who will appoint independent adjudicators to hear the case.

The PCB sent a legal notice to their counterparts earlier this year but Indian officials rejected the memorandum as "a piece of paper".

The arch-rivals have not played a full bilateral series since 2007.

New Delhi halted all bilateral sports with Pakistan in the wake of 2008 Mumbai attacks, which India blamed on militants based in Pakistan.

Those attacks, which left eight people dead and seven Sri Lanka players and their staff injured, suspended international cricket in Pakistan and forced them to play at neutral venues of United Arab Emirates (UAE).

The two planned series between India and Pakistan were due to take place at a neutral venue.

Seven killed in adverse weather; depression moving away

At least seven persons were killed and five person has gone missing due to the adverse weather conditions prevailing in the country as the deep depression was moving away from Sri Lanka, authorities said today.

The Police said three fishermen from Ambalangoda and Dodanduwa were among the deceased and another fishermen from Dodanduwa was reportedly went missing.

The other two deceased were identified as residents of Kiribathgoda and Madolsima. Police said five more persons were injured due to the adverse weather condition.

Meanwhile, the Meteorology Department said that the deep depression in the Arabian Sea was now located at 300 km to the west of Colombo.

Issuing the weather report for the next 12 hours at 10.00 am, the department said that the deep depression would likely to develop in to a cyclonic storm within next few hours and move west-northwest ward direction.

"Showery and windy condition about 60-70 kmph are expected over the island particularly in the South-Western part. Heavy falls about 100-150mm can be expected at some places in the Southern,

Sabaragamuwa, Central, Uva and Western provinces,” it added.

Meanwhile, the Irrigation Department said that the water levels of Pitabeddara, Panadugama and Sapugoda areas in Nilwala River and Thawalama area in the Gin river are reaching the spill level.

Issuing a statement, the Department said that Nilwala, Gin and Kalu Rivers had received high rainfalls during the past 24 hours and advised that people living downstream areas should to be vigilant in this regard.

“Minor flood situations could be occurred around the said reservoirs if the heavy rain continues,” it added.

Meanwhile, holding a press conference in Colombo, Disaster Management Minister Anura Priyadarshana Yapa said though the current deep depression was moving away from the country, another atmospheric depression likely to be developed at the Bay of Bengal.

However, he said according to the present data, the Meteorology Department cannot predict its behaviour this early.

“We advise the public to be vigilant even in the next couple of days,” he added. **(Thilanka Kanakarathna)**

GDP growth rebounds to 6.3% in September quarter

Recovers from 5.7% in last quarter; Infrastructure output grew 4.7% in October from a year ago, driven by higher refinery production.

Reversing five quarters of slowing GDP growth, the Indian economy expanded by 6.3% in July-September on the back of a pick-up in manufacturing.

The gross domestic product (GDP) growth had hit a three- year low of 5.7% in the first quarter of 2017-18. It was 7.5% in the September quarter of 2016-17.

According to the Central Statistics Office (CSO) data, the economic activities that registered growth of over 6% in the second quarter are manufacturing, electricity, gas, water supply, other utility services and trade, hotels, transport and communication, and services related to broadcasting.

The agriculture, forestry and fishing sector is estimated to have grown by 1.7%.

Infrastructure output grows 4.7%

Eight core sectors grew at a slower pace of 4.7% in October, chiefly due to subdued performance of cement, steel and refinery segments.

The eight infrastructure sectors – coal, crude oil, natural gas, refinery products, fertilisers, steel, cement and electricity – had clocked a growth of 7.1% in October 2016.

Meanwhile, the Industry Ministry has revised downwards September growth print of these eight sectors to 4.7% from the earlier estimate of 5.2%.

Official data released this evening showed that cement production contracted by 2.7% as against an expansion of 6.2% in October 2016.

Output growth in the steel segment too slowed to 8.4% in the last month compared to 17.4% in the year- ago period.

Similarly, there was slowdown in refinery output, whose growth was 7.5% in October 2017. This compares with 12.6% expansion in the same month in 2016.

Electricity generation, too, was slower on an annual basis.

Meanwhile, the coal segment has shown significant improvement as it expanded by 3.90%. It witnessed a decline of 1.9% in the year-ago period.

The fertiliser sector grew by 3% as against 0.7% last year.

Crude oil production and natural gas output have shown improvement, too.

Cumulatively, the growth in the eight core sectors slowed down to 3.5% as against 5.6% in the comparable period of the last fiscal.

The eight core industries constitute 40.27% of weight of items in the index of industrial production (IIP).

The Rooppur plant is expected to add 2,400MW of electricity to the national grid by 2024

Prime Minister Sheikh Hasina has inaugurated the main construction work of the much-awaited Rooppur Nuclear Power Plant, the maiden nuclear plant of Bangladesh.

She formally launched the main construction work of the plant by pouring concrete at the plant site at Rooppur in Ishwardi of northern Pabna district Thursday morning.

Science and Technology Minister Architect Yeafesh Osman, PM's Economic Affairs Adviser Dr Moshir Rahman, Energy Adviser Dr Towfique-e-Elahi Chowdhury, Security Adviser Major General (ret'd) Tariq Ahmed Siddiq, Chief of Army Staff General Abu Belal Muhammad Shafiul Huq, PM's Principal Secretary Dr Kamal Abdul Naser Chowdhury, Press Secretary

Ihsanul Karim, Russian Ambassador to Bangladesh Alexander Ignatov, Russia's state-run atomic energy body Rosatom's Director General Alexey Likhachev, Chief Engineer of Bangladesh Atomic Energy Commission Md Abdur Razzak and project director of the plant and senior officials of Bangladesh and Russia were present on the occasion.

The Rooppur plant is expected to add 2,400MW of electricity to the national grid by 2024, helping Bangladesh meet its increasing demand for electricity.

The mega project is being implemented by the state-run Bangladesh Atomic Energy Commission (BAEC) under the Science and Technology Ministry, with financial, technical and technological support by Russia through its state nuclear agency, Rosatom.

The Bangladesh Atomic Energy Commission (BAEC) and Russian company, JSC Atomstroyexport, signed a general contract for construction of Rooppur Nuclear Power Plant (RNPP) on December 25 in 2015.

BAEC Chairman Md Monirul Islam and Vice President of Atomstroyexport Vladimir N Savushkin signed the contract on behalf of their respective organisations.

Atomstroyexport, the contractor appointed by Russia's state-owned atomic power body, Rosatom, will construct the RNPP at a cost of \$12.65 billion, out of which, \$10.1 billion has been fixed as base price, \$1 billion for soil stabilisation and further cost, and the remaining \$1.65 billion for price escalation.

On December 15 in 2015, the government finalised the amount for the biggest-ever investment project in the country's history by inking an initial agreement with Russia.

Earlier in January 2013, an inter-governmental agreement was signed for the provision of a \$500 million Russian loan to finance engineering design, site development and personnel training.

On November 2, 2011, Bangladesh signed a deal with Russia's state-owned nuclear giant Rosatom to construct the nuclear plant.

Russia will provide all assistance under the agreement for setting up the plant, including providing the fuel and taking back the used fuel.

A total of 262 acres of land have been acquired to set up two units of the plant with a capacity of 2,400-MW.

On October 2, 2013, Prime Minister Sheikh Hasina laid the foundation stone of the Rooppur Nuclear Power Plant at Ishwardi in Pabna.
