

Modhukhali Besieged: Minority households looted, demolished

The Modhukali upazila Faridpur district was the scene of utter devastation this past 16th of January 2018 as around 50 households, all belonging to minority inhabitants were destroyed, leaving at least 2 people with major injuries.

The attack was carried out by Mr. Babu, the Chairman of Dumain, a village right next to Modhukhali. Mr. Babu and his gang of hooligans unleashed their fury upon the innocent families of Modhukhali after learning that one of Modhukhali's own, one Mr. Suranjoy Sarker, a resident of New Zealand currently, has been writing blasphemous content against Islam and its constituencies in his personal blog (www.suranjoysarker.wordpress.com)

Mr. Suranjoy Sarker, son of Modhukhali local Kamol Chandra Sarker, was accused of publishing blasphemous articles about Islam on his blog and across other media channels. Mr. Babu and his goons reportedly invaded Mr. Suranjoy Sarker's and demanded to speak to his father. It is reported that he verbally abused his father, Mr. Kamol Chandra of afterward Babu constantly berated Mr. Kamol Chandra Sarker by telling him that his son has been posting crude, abhorrent and lewd articles about Islam and its "Beloved Prophet (PBUH)" on the internet and his personal blog.

Later on, our correspondent queried some of the locals about the incident. They stated that Babu demanded a public apology from Mr. Kamol Chandra over his son's antics and he was being very aggressive. His goons were armed with machetes, small to large knives and thick wooden bats and had surrounded the place.

That upset some of the younger local inhabitants of Modhukhali and they stepped in to help Mr. Kamol Chandra Sarker. Chairman Babu and his goons did not take very well to that and it prompted them to launch an all-out assault on Mr. Sarker and his family (those who were present in the house at that time) along the young men who showed their support for Mr. Kamol Chandra Sarker. The goons managed to gravely injure two young men in the process, one Arunavh Bishwas, and Bikash Ronjon. They have been taken to Faridpur Medical ever since and are receiving treatment.

Unfortunately, that began at Mr. Kamol Chandra's house, quickly spilled over to other minority households in the area as the goons demolished everything within their arm's length. There are several reports of looting and property destruction from more than 4 dozen or so minority households.

Meanwhile, there is an air of apprehension amongst the majority of the inhabitants of Modhukhali as they live in constant fear of another small-scale attack. We can confirm that representatives of the Faridpur Kotowali Police Station have inspected the scene of devastation. One of their spokespersons who was initially reluctant to speak to our correspondent at first did manage to inform us that the police has completed preliminary inspections of the crime scene.

However, he denied that a formal complaint has been lodged as told us that the matter needs “proper investigations” before being pushed up to the next stage. He declined to comment on when that will take place.
